

A scenic view of a lake with mountains in the background and people kayaking. The image shows a clear blue sky, a range of rugged mountains with some snow patches, and a dense forest of evergreen trees. In the foreground, two people are kayaking on the water. One person is in the foreground, wearing a blue and orange life vest and a white cap, holding a paddle. Another person is in a blue kayak further back, also wearing a life vest. A small wooden bridge is visible in the distance on the right side of the lake.

Our **STAFF** is carefully selected and rigorously trained to make sure our campers are 100% safe during all camp activities. Most of our staff are between the ages of 20 and 35 years old. They are multicultural, multilingual, outgoing and fun. They are trained with First Aid & CPR and cleared a criminal background check. We have a minimum ratio of 1 counsellor for every 8 campers, plus lifeguards, senior staff, a nurse, and cooks to complement the supervision, health care and safety of all our campers.

MEDICAL INSURANCE is mandatory for all campers at camp. Canadian campers must be covered by their provincial medicare.
