A child wearing a red helmet and black snow gear is snowboarding down a snowy slope. In the background, there is a large, snow-capped mountain range under a clear blue sky. A forest of evergreen trees is visible on the left and middle ground, and a small building is on the right.

# CAMPS BE HAPPY

**SPRING BREAK CAMP**

For kids 6 to 12 years old.

April 1-12, 2024.

## WELCOME TO BEHAPPY CAMPS!

We specialize in summer and winter day and overnight camps for kids and teens with a focus on outdoors education and sports. This particular spring break camp in Banff is focused on recreational skiing and snowboarding.

We began operations in 2010 in Montreal, QC. Then we expanded our operation to San Diego, CA in 2017, Whistler, BC in 2018 and Banff, AB in 2022.

We have welcomed over 4,000 children from 35 different countries to our camps since 2010.

We teach values and skills that help our campers with their personal development to become healthy, successful and happy individuals.
